December 2009

Dear Friends,

Neumann University hosted our Christmas luncheon on Wednesday, December 9th. A delicious buffet lunch, lots of door prizes and most of all sharing and friendship in the spirit of the season. A wonderful time was had by all. Special thanks to Dr. Rosalie Mirenda and the wonderful staff who met our every need.

Our 2009 Member of the Year award went to Lisa Yerges, Penn State Brandywine. Over the past year Lisa has gone above and beyond in serving the board. Many years ago we started a project of six "Welcome to Middletown" signs. Each year it seemed to get lost in everyone's busy lives. In January of this year I asked the board if we should drop the project or move forward. Everyone felt it was a worthwhile project and Lisa stepped up and got the ball rolling. It looks like it will be a reality in 2010 thanks to Lisa's persistence in working with Middletown Township and PennDot. I look forward to working with Lisa as Vice President next year.

Our 2009 Business of the Year award went to Williamson Free School of Mechanical Trades. Over the past few years Williamson has hosted Middletown's Family Pride Day. The staff and students put so much into this one day to make it a success. Williamson is also very active in the community. When volunteers are needed with various projects within the Township, like planting trees at Sleighton Park or refinishing a table at the library, Williamson is the first call and they are always there. It is a one of kind institution and we are so lucky to have them as our neighbor. Jim Hannigan accepted the award on behalf of Williamson.

Our next meeting will be Wednesday, January 13, 2010 at Riddle Village in the 3rd Floor dining room. Mr. Gary Perecko, new president of Riddle Hospital, will be our guest speaker. Sign in is at 11:45 am.

Please check our website www.mtbpa.org regularly for updates and member announcements. Meeting information is also there.

Happy Holidays and a Happy Healthy New Year!

Sincerely,
Helene
