Dear Friends,

We have several events scheduled that you won't want to miss. Tonight, we have an evening reception planned at WaWa with Senate Majority Leader, Dominic Pileggi, as our guest speaker. He will be speaking about the current legislative agenda, including education reform, Marcellus Shale issues, and transportation funding that impacts our local area.

Our November 16th lunch meeting will be held at Ruby Tuesday's in the Granite Run Mall. This will be our annual "business" meeting where we'll conduct elections and provide a Treasurer's report along with an update on our Association's website activity. In addition to the officer positions which are voted on annually, we have three director positions that will be on the ballot as well. If you are interested in serving on the Board as an officer or director, please contact Helene Weathers via e-mail at hcweathers@verizon.net to be added to the ballot.

Our programming for the year will conclude with a special lunch at Neumann University on December 14th. I always look forward to this wonderful event – filled with fun, camaraderie, and best of all, DOOR PRIZES! More details about all of our upcoming events can be found on the MTBPA website, <http://www.mtbpa.org>.

Lastly, please consider donating a gift to the residents of Fair Acres. This is the MTBPA's second annual holiday gift drive for those in need, and a list of suggested gift items can be found on our website. Donations can be brought to any MTBPA meeting through December. I know the residents really appreciated the kindness and generosity of our members last year, and I hope we can have a terrific offering this year as well. Thank you in advance for considering this worthwhile cause.

Best,

Lisa Yerges
